WAR DEPARTMENT.

REGULATIONS GOVERNING THE USE, ADMINISTRATION, AND NAVIGATION OF SANDUSKY HARBOR, OHIO.

THE LAW

Section 7 of the River and Harbor Act of August 8, 1917, provides as follows:

[Here follows, in the original document, an excerpt from Section 7 of the River and Harbor Act of August 8, 1917 (40 Stat. 266), which may be found at 3 F. R. 933.]

THE REGULATIONS

In pursuance of the foregoing law, the following regulations are hereby prescribed to govern the use, administration and navigation of Sandusky Harbor, Ohio.

1. No vessel shall exceed a speed of 10 miles per hour in Sandusky Harbor.

2. No vessel shall cross the edges of the channel without reducing its speed sufficiently to avoid displacement of said edges. Vessels crossing said channel shall keep out of the way of vessels navigating the channel.

3. No vessel shall while moored or at anchor, or by slow passage or otherwise while underway, unreasonably obstruct the free passage and progress of other vessels.

4. No vessel shall moor or anchor to any structure of the United States without the consent of the District Engineer, U. S. Army, in charge of the locality, or his authorized agent.

5. No vessel shall moor or anchor in or along any improved channel or basin in such manner as to interfere with improvement or maintenance operations therein. Whenever in the opinion of the District Engineer any vessel is so moored or anchored, the owner thereof shall cause said vessel to be moved upon notification from and within the time specified by said District Engineer.

6. These regulations shall take effect and be in force on and after the date of approval hereof and shall supersede the regulations prescribed January 6, 1899 (E. D. 28154/1), as amended September 23, 1899 (E. D. 19248/26), and June 10, 1920 (E. D. 13955/3).

Approved, May 6, 1938.

REGULATIONS TO GOVERN THE USE, ADMINISTRATION AND NAVIGATION OF THE HARBOR AND UNITED STATES BREAKWATER IN THE ST. LAWRENCE RIVER AT CAPE VINCENT, NEW YORK

THE LAW

Section 7 of the River and Harbor Act of August 8, 1917, provides as follows:

[Here follows, in the original document, an excerpt from Section 7 of the River and Harbor Act of August 8, 1917 (40 Stat. 266), which may be found at 3 F. R. 933.]

THE REGULATIONS

In pursuance of the foregoing law the following regulations are prescribed to govern the use, administration and navigation of the harbor and United States breakwater in the St. Lawrence River at Cape Vincent, New York:

Administration

1. The term "harbor" when used in these regulations, applies to all that portion of the St. Lawrence River lying within the following boundaries: Beginning at a point on the harbor face of the breakwater at its easterly end and extending in a straight line along the harbor face of the main part of the breakwater and in extension thereof westerly approximately 2400 feet; thence at right angles to the above-described line southerly to the northeast corner of the "L" dock at the foot of Market Street, approximately 300 feet; thence easterly along the dock face and shore line to a point

In a line at right angles to the breakwater at its easterly end; and thence along this last described right angle line to the point of beginning.

2. The navigation of said harbor and the use of said breakwater shall be under the direction of the District Engineer, Engineer Department at Large, in charge of the locality, or his authorized agent.

Use and Navigation

3. Vessels shall not exceed a speed of 8 miles per hour in the harbor.

4. Vessels shall observe the following rules in mooring to the breakwater: The first self-propelled vessel stopping at the harbor for shelter will proceed to the upstream end of the breakwater and moor along either side of it. All similar vessels entering later will place themselves in a compact position close to those preceding them. Passenger vessels will, in general, have preference as to location of moorage. Sailing craft will so locate themselves that they will not lie in the way of other vessels entering the harbor. All vessels of every description will place themselves so as not to interfere with any work of reconstruction or repair that may be in progress at the time.

5. The use of chains in making fast to the breakwater is prohibited. Lines must be attached to the snubbing posts only, and outboard anchors taken in.

6. Vessels with other craft in tow will, if practicable, at once moor them compactly along the breakwater, either taking in the tow lines or placing the slack in them upon the breakwater in such a manner as not to interfere with other vessels. If necessary to moor alongside of other vessels moored to the breakwater, the tow lines shall be taken in or disposed of in such a manner as not to interfere with the departure of vessels moored between them and the breakwater.

7. Vessels of every description mooring to the breakwater, must place suitable fenders between themselves and the breakwater to protect the timber walings on the breakwater from damage.

8. The unloading of freight of any class upon the breakwater is expressly prohibited, except in accordance with special permission from the said district engineer or his representative.

9. Each and every vessel made fast to the breakwater, or anchored in the harbor without a line made fast to the shore or shore dock, must have at least one experienced person upon it during the entire time said vessel is thus moored in the harbor.

10. These regulations shall take effect and be in force on and after the date of approval hereof and shall supersede the regulations for St. Lawrence River (Harbor), Cape Vincent, N. Y., prescribed April 16, 1929 (E. D. 2516 (Cape Vincent Harbor, N. Y.)—2/8)

Approved, May 6, 1938.

SPECIAL REGULATIONS TO GOVERN THE OPERATION OF THE HIGHWAY BRIDGE AT FIFTH STREET AND THE SOUTHERN RAILWAY COMPANY BRIDGE AT SIXTH STREET, OVER THE SAVANNAH RIVER AT AUGUSTA, GEORGIA

Supplemental to rules and regulations to govern the operation of drawbridges crossing all navigable waters of the United States discharging their waters into the Atlantic Ocean south of and including Chesapeake Bay and the Gulf of Mexico, excepting the Mississippi River and its tributaries.

THE LAW

The River and Harbor Act of August 18, 1894, contains the following section:

[Here follows, in the original document, the text of Section 5 of the River and Harbor Act of August 18, 1894 (28 Stat. 362), which may be found at 3 F. R. 892.]

THE REGULATIONS

In pursuance of the foregoing law, the following special regulations are prescribed to govern the operation of the highway bridge at Fifth Street and the Southern Railway Company bridge at Sixth Street, over the Savannah River at Augusta, Georgia.

1. The owners of, or agencies controlling, the bridges will not be required to keep draw tenders in constant attendance at the above-mentioned bridges.

2. Whenever a vessel unable to pass under a closed bridge desires to pass through the draw, at least 24 hours' advance notice of the time the opening is required shall be given to the authorized representative of the owner of, or agency controlling, the bridge.

3. Upon receipt of such notice, the authorized representative of the owner of, or agency controlling, the bridge, in compliance therewith, shall arrange for the prompt opening of the draw at the time specified in the notice for the passage of the vessel.

4. The owners of, or agencies controlling, the bridges shall keep conspicuously posted on both the upstream and downstream sides of the bridges in a manner that it can easily be read at any time a copy of these regulations, together with a notice stating exactly how the representatives specified in paragraph 2 may be reached.

5. The operating machinery of the draws shall be maintained in a serviceable condition, and the draws opened and closed at least once each quarter to make certain that the machinery is in proper order for satisfactory operation.

6. These regulations shall take effect and be in force on and after the date of approval hereof, and shall supersede any provisions heretofore made to govern the operation of the above-named bridges.

Approved, May 6, 1938.

[Amendment 15 to B. A. I. Order 353]

AMENDMENT OF ORDER TO PREVENT THE INTRODUCTION INTO THE UNITED STATES OF RINDERPEST AND FOOT-AND-MOUTH DISEASE

MAY 18, 1938.

Under authority conferred by law upon the Secretary of Agriculture by Section 306 of the Tariff Act of 1930 (46 Stat. 590-689), the order to prevent the introduction into the United States of rinderpest and foot-and-mouth disease (B. A. I. Order 353), dated June 1, 1935, and effective August 1, 1935, as amended, is hereby further amended by restoring the name of Hungary to the list of countries in said order, as I have determined that foot-and-mouth disease again exists in said country of Hungary and I have so officially notified the Secretary of the Treasury.

This amendment, which for purpose of identification is designated Amendment 15 to B. A. I. Order 353, shall be effective on and after May 18, 1938.

Done at Washington this 18th day of May 1938. Witness my hand and the seal of the Department of Agriculture.

NOTICE

MAY 17, 1938.

To W. W. CHRONISTER, O. B. CHRONISTER, KATHLEEN CHRONISTER, R. B. HENRY, J. G. HENRY, AND J. M. HENRY, DOING BUSINESS AS LITTLE ROCK STOCK YARDS COMMISSION COMPANY, NORTH LITTLE ROCK, ARK.

Whereas, Section 301 of Title III of an Act of Congress entitled "An Act to regulate interstate and foreign commerce in livestock, livestock products, dairy products, poultry, poultry products, and eggs, and for other purposes", approved August 15, 1921, provides in part that, when used in said Act, the term "stockyard owner" means any person engaged in

the business of conducting or operating a stockyard; and Section 302 of said Act provides as follows:

(a) When used in this title the term "stockyard" means any place, establishment, or facility commonly known as stockyards, conducted or operated for compensation or profit as a public market, consisting of pens, or other inclosures, and their appurtenances, in which live cattle, sheep, swine, horses, mules, or goats are received, held, or kept for sale or shipment in commerce. This title shall not apply to a stockyard of which the area normally available for handling livestock, exclusive of runs, alleys, or passage ways, is less than twenty thousand square feet.

(b) The Secretary shall from time to time ascertain, after such inquiry as he deems necessary, the stockyards which come within the foregoing definition, and shall give notice thereof to the stockyard owners concerned, and give public notice thereof by posting copies of such notice in the stockyard, and in such other manner as he may determine. After the giving of such notice to the stockyard owner and to the public, the stockyard shall remain subject to the provisions of this title until like notice is given by the Secretary that such stockyard no longer comes within the foregoing definition:

And, whereas the Little Rock Stock Yards Commission Company, at North Little Rock, Arkansas, was posted on the 5th day of March, 1937, as coming within the foregoing definition;

And, whereas after an inquiry it has been ascertained by me as Secretary of Agriculture of the United States that the Little Rock Stock Yards Commission Company is no longer operated as a public stockyard subject to the provisions of said Act:

Now, therefore, notice is hereby given that the Little Rock Stock Yards Commission Company, at North Little Rock, Arkansas, no longer comes within the foregoing definition and the provisions of Title III of said Act.

Secretary of Agriculture.

PRESCRIBING REGULATIONS GOVERNING THE MARKING OF WRECKS FOR THE PROTECTION OF NAVIGATION

By virtue of and pursuant to authority vested in me by section 10 of the Act of June 17, 1910 (36 Stat. 538) I hereby prescribe the following regulations governing the procedure in the marking of wrecked and sunken craft pursuant to Section 1 of the Act of August 16, 1937 (50 Stat., 666), entitled "An Act to provide more effectively for the marking of wrecked and sunken craft for the protection of navigation, to improve the efficiency of the Lighthouse Service, and for other purposes":

In the event that the owner of a wrecked or sunken craft, as defined in section 1 of the cited Act of August 16, 1937, shall fail to immediately mark the same, the Superintendent of Lighthouses of the district in which the wreck is located shall in his discretion proceed to have the wreck marked as the safety of navigation may require, notifying the owner of the wrecked craft or his representative of such action. Notice may be addressed to the owner at his usual or last known address or place of business. The cost of such marking will be charged to the owner of the wrecked craft, as provided in the law, and said charges shall continue until affirmative notice is received from the owner or his representative that the wreck is abandoned, unless abandonment is otherwise determined by the United States Engineers, pursuant to section 19 of the Act of March 3, 1899 (30 Stat., 1154). Notice of abandonment shall be addressed to the United States Engineer of the district in which the wreck is located, with a copy to the Superintendent of Lighthouses.

In case a wrecked or sunken craft is marked by the owner, the Superintendent of Lighthouses shall in his discretion determine if such marking is suitable for the purpose and conditions; and if he determines that it is not suitable, he shall proceed to have it suitably marked, at the expense of the owner, in accordance with the preceding paragraph.

Charges for services rendered by the Lighthouse Service in marking of wrecked or sunken craft for private owners shall be invoiced in accordance with the following schedules:

Gas and other supplies furnished, and labor performed in overhauling, repairing, cleaning, painting, etc., of apparatus, at cost to the Service.

Use of buoys and appendages at following rates of depreciation per annum:

Iron buoys (including lighting apparatus), 5% of invoice value.

Wooden buoys, 20% of invoice value.

Mooring chain, 20% of invoice value.

Sinkers, 10% of invoice value.

Swivels, 33 1/3% of invoice value.

Key Shackles, 100% of invoice value.

If any equipment is lost or destroyed while being used to mark a wreck, the full invoiced cost, less depreciation, will be chargeable to the owner.

Services of lighthouse tenders per working day to be at 1/280 of the annual cost of operation and maintenance of the vessel as determined by cost records for the preceding fiscal year. For less than a full working day, charge per hour will be 1/8 of daily cost. Overhead of 20% to be added to bill computed as above.

AMENDMENT TO RULES AND REGULATIONS FOR FEDERAL SAVINGS AND LOAN ASSOCIATION

LIMITING THE POWERS OF FEDERAL SAVINGS AND LOAN ASSOCIATIONS TO SELL LOANS

Be it resolved, That pursuant to authority vested in the Federal Home Loan Bank Board by subsection (a) of Section 5 of the Home Owners' Loan Act of 1933 (12 U. S. C. 1464 (a)), the second sentence of subsection (d) of Section 42 of the Rules and Regulations for Federal Savings and Loan Associations is hereby amended to read as follows:

"No association shall make any sale of any loan at any time if the total dollar amount of loans sold, including such sale, within the twelve months period immediately preceding

the date of such sale, exceeds a sum equivalent to 25 per cent of the dollar amount of all loans originated by such association within such period."

Be it further resolved, That, it being deemed that this amendment is of an emergency character, said amendment shall be effective immediately.

Adopted by the Federal Home Loan Bank Board on May 17, 1938.

PRESIDENT OF THE UNITED STATES.

ENLARGING THE BLACK CANYON OF THE GUNNISON NATIONAL MONUMENT—COLORADO

By the President of the United States of America

A PROCLAMATION

WHEREAS certain lands adjoining the Black Canyon of the Gunnison National Monument in Colorado have been donated to the United States for inclusion in and extension of the said monument; and

WHEREAS it appears that such lands are required for the proper care and management of the objects being protected by the said monument:

NOW, THEREFORE, I, FRANKLIN D. ROOSEVELT, President of the United States of America, under and by virtue of the authority vested in me by section 2 of the act of June 8, 1906, ch. 3060, 34 Stat. 225 (U. S. C., title 16, sec. 431), do proclaim that the following-described lands in Colorado are hereby added to and made a part of the Black Canyon of the Gunnison National Monument:

NEW MEXICO PRINCIPAL MERIDIAN—COLORADO

T. 50 N., R. 7 W., sec. 19, S $\frac{1}{2}$ NW $\frac{1}{4}$;
T. 50 N., R. 8 W., sec. 25, N $\frac{1}{2}$ SE $\frac{1}{4}$ NW $\frac{1}{4}$;
containing 100 acres.

Warning is hereby expressly given to all unauthorized persons not to appropriate, injure, destroy, or remove any part or feature of this monument, and not to locate or settle upon any of the lands thereof.

The director of the National Park Service, under the direction of the Secretary of the Interior, shall have the supervision, management, and control of the monument as provided in the act of Congress entitled "An act to establish a National Park Service, and for other purposes," approved August 25, 1916, 39 Stat. 535 (U. S. C., title 16, secs. 1 and 2), and acts supplementary thereto or amendatory thereof.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the seal of the United States to be affixed.

DONE at the City of Washington this 16th day of May in the year of our Lord nineteen hundred and thirty-eight, and of the Independence of the United States of America the one hundred and sixty-second.

FRANKLIN D. ROOSEVELT

EXECUTIVE ORDER

RESTORING CERTAIN LANDS TO THE TERRITORY OF HAWAII FOR HIGHWAY PURPOSES

WHEREAS by proclamation of June 10, 1901, the Acting Governor of the Territory of Hawaii set apart a certain tract

of land known as Kewalo-uka on Punchbowl Hill, Honolulu, Oahu, for the uses and purposes of the United States for the maintenance of an agricultural experiment station, now known as the Hawaii Agricultural Experiment Station, and under the control of the United States Department of Agriculture; there being reserved, however, to the possession, use, and control of the Territory of Hawaii all rights-of-way for public highways then in use within the said tract of land; and

WHEREAS by proclamation of December 6, 1937, the Governor of the Territory of Hawaii set apart for the uses and purposes of the United States all those lands embraced in the said rights-of-way reserved, as above stated, within the area set aside for the use of the United States by the said proclamation of June 10, 1901; and

WHEREAS the City and County of Honolulu has realigned the highway known as Tantalus Drive and has constructed a macadamized road over and upon the said realigned highway, which traverses in part portions of the tract of land set apart for the uses and purposes of the United States by the said proclamation of June 10, 1901, and also traverses certain contiguous areas over which, by that proclamation, the rights-of-way were reserved to the possession, use, and control of the Territory of Hawaii; and

WHEREAS certain portions of the said lands set apart for the uses and purposes of the United States by the said proclamations of June 10, 1901, and December 6, 1937, are needed by the Government of the Territory of Hawaii for highway purposes as hereinbefore indicated:

NOW, THEREFORE, by virtue of and pursuant to the authority vested in me by section 91 of the act of April 30, 1900, 31 Stat. 141, 159, as amended by section 7 of the act of May 27, 1910, 36 Stat. 443, 447, it is ordered that all lands of the said Hawaii Agricultural Experiment Station, under the control of the United States Department of Agriculture, within the limits of the said realigned right-of-way as shown on the map prepared by the Works Progress Administration Office, at Honolulu, and dated March 31, 1937, and on file in the Map and Tracing Vault of the Honolulu City and County Engineer's Office, at Honolulu (a blueprint copy of which is on file in the Division of the Federal Register, The National Archives, Washington, D. C.), be, and they are hereby, restored to the possession, use, and control of the Government of the Territory of Hawaii for highway purposes.

AMENDMENT TO DETERMINATION OF FARMING PRACTICES TO BE CARRIED OUT IN CONNECTION WITH THE PRODUCTION OF SUGARCANE DURING THE CROP YEAR 1938 FOR THE TERRITORY OF HAWAII

Pursuant to the provisions of Section 301 (e) of the Sugar Act of 1937, I, H. A. Wallace, Secretary of Agriculture, do hereby determine that the "Determination of Farming Practices to be Carried Out in Connection with the Production of Sugarcane During the Crop Year 1938 for the Territory of Hawaii, Pursuant to Subsection (e) of Section 301 of the Sugar Act of 1937", issued March 22, 1933,¹ shall be, and the same is hereby, amended by changing the *proviso* contained therein to read as follows:

Provided, That the number of acres of land on which sugarcane is growing and on which fertilizer is applied during 1938 is not less than the number of acres on the farm on which sugarcane is planted, or a ratoon crop of sugarcane is started, at any time during 1938.
